Please join us on:

Thursday, May 4th at 6:30 pm

In the Memorial Junior School Auditorium

61 Highland Ave. Whippany, NJ 07981

Parent Academy

ALL COMMUNITY MEMBERS ARE WELCOME!!

In New Jersey and across America, we are dealing with a social crisis unlike any we've ever experienced. We are more likely to lose our loved ones to an accidental drug overdose than to a car accident. It is a growing epidemic across the country and it is affecting our children in devastating ways. Our communities are being affected in greater numbers than ever before. People are dying. Kids are dying. And we must all come together to fight this American Epidemic.

Attending this Presentation, you will:

- Be better equipped to speak with your children.
- Be given tips and advice as to how to better prevent drug and alcohol use from affecting your children.
- Gain an understanding of this drug abuse epidemic and better knowledge as to how we got to this point.
- Learn about the latest drug trends.
- Learn about the signs and symptoms to watch for.

Parents DO NOT miss this opportunity to get educated!

This event is sponsored by:
The Hanover Township Substance Awareness Council
And supported by:
The Hanover Township School District
