

2110 PHILOSOPHY OF EDUCATION/  
DISTRICT MISSION STATEMENT

To provide a solid foundation for future success, children will be challenged to think critically, assume responsibility, contribute to their community, and care about others as well as themselves. Each child's unique abilities will be developed within a nurturing environment through the offering of excellent and innovative academic, athletic, and artistic experiences.

It is the expectation of this school district that all pupils achieve the New Jersey Core Curriculum Content Standards at all grade levels.
