Dear *Future* 6th Grade Viking Parents/Guardians:

I would like to thank you for attending Memorial Junior School's *Future* 6th Grade Viking Orientation Program. It is always a pleasure to meet and greet our future MJS students, parents and guardians. For those of you that weren't able to attend, one of the topics discussed was our 6th grade Outdoor Education Program. This is an exciting program that has been a 6th grade tradition at Memorial Junior School for over 60 years. Currently it is held at Fairview Lake YMCA in Stillwater, New Jersey. The trip is scheduled to take place October 18th, 19th, and 20th.

The Outdoor Education Program is a valuable experience that takes students out of the traditional classroom to learn without books and away from the distractions of their everyday activities. Many activities center on teaching students about living "green" and respecting our environment. In addition, students have various learning opportunities to participate in, such as boating, lake study, Geocaching and hiking to the ridge of the Appalachian Trail. Various team-building activities are also included. We urge every student in the 6th grade to attend this fun and exciting 3-day field trip.

In order to help us defray a portion of expenses, each student who attends the program is assessed a fee of \$160.00, which includes lodging, meals, and evening programs. Please be aware, as per Board Policy #2340, "No pupil shall be denied an opportunity to participate in a field trip because of financial need, and the Board of Education shall incur such costs." Parents who are in need of financial assistance should contact the main office at Memorial Junior School.

The Outdoor Education Registration forms (permission slip, medical forms, etc.) are available online through the Memorial Junior School link on the district website, (www.hanovertwpschools.com). We respectfully request you print and complete all registration forms and return them, with your payment, to Memorial Junior School by Friday, June 30th. Please make your check payable to Memorial Junior School. To sign up to be a chaperone and to provide medical information, please use the online links and provide your information in Google Forms. In addition, please be reminded that a special orientation meeting for all parents regarding the Resident Outdoor Education Program will be held in late September/early October.

I look forward to meeting with you to share information about this exciting, educational program. If you have any questions regarding this trip, please call me at 973-515-2427.

Sincerely,

Brenda Talbert
6th Grade Team Leader and
Resident Outdoor Education Advisor
